ELECTRICALS PRIVATE LIMITED

INTERNSHIP COMPLETION CERTIFICATE

Date: 20 / 07 / 2026

This is to certify that **Mr. M. Vivek**, bearing **Register Number 113323105026**, a student of **IV B.E. EEE, Velammal Institute of Technology**, has successfully completed the **Internship Programme** at **EVR Electricals Private Limited** from **22 /06 / 2026** to **20 / 07 / 2026**.

During the internship period, the student underwent structured industrial training and was exposed to the company's manufacturing processes, quality management systems, production planning, testing procedures, safety practices, and professional work environment. The internship provided practical insight into industrial operations and enabled the student to enhance technical knowledge, analytical skills, and professional competencies.

The student's performance throughout the internship was found to be **satisfactory**. They demonstrated commitment, punctuality, discipline, and a positive attitude towards learning while carrying out the responsibilities assigned to them.

This certificate is issued in recognition of the successful completion of the internship programme and is presented at the request of the student for academic and professional purposes.

We appreciate the student's contribution during the internship and extend our best wishes for continued success in their higher education and future career.
